

Hunterdon Hills PLAYHOUSE

CELEBRATING
40
YEARS

Dear Friends,

It's been quite a year, unprecedented and unpredictable. We hope that this letter finds you safe and healthy, and we ask that you continue to take care of yourselves and one another, wear masks, and get vaccinated when the time comes. We are all upon uncharted waters, navigating through parts unknown, but we do know one thing – our commitment to provide you with a future of music and laughter, fine dining, and the joy of the live theatre experience has never been stronger!

We at the Hunterdon Hills Playhouse wish to express our sincere gratitude for the support you've shown during these trying times. And we want you to know that, as signs begin to point towards economic recovery and a return to normalcy, we are in the process of rolling out a new, revised schedule for 2021-2022. Our goal is to re-open sometime in the fall with several exciting special events, leading to a hopeful return to full operation just in time for our beloved, annual Christmas show. Then, in the spring of '22, we will return to our original schedule, featuring the immersive, mystery musical comedy, *Sherlock Returns!* and the world premiere comedy, *I Left My Dignity in My Other Purse*.

We all know by now that exact dates for re-opening are impossible to predict, and that we must continue to be vigilant for the safety of all. And so, for now, we will remain patient with our doors closed. But, like you, our hearts remain open with the expectation that our community of artists and theatregoers will be celebrating together again soon.

In the coming months, while we contact those with existing reservations and begin our rescheduling process, please visit our website from time to time for important updates and current information. Let's stay in touch, we need each other now more than ever. See you all very soon. Until then, stay safe and healthy.

Sincerely,
Your Friends at Hunterdon Hills Playhouse
